3. Qualitative Analytical Reasoning

- Tempsens Instruments Ltd. (Score: 97/100):** High-conviction candidate driven by massive Grey Market demand (+96.7% premium) and robust institutional QIB subscription. Low downside risk on listing morning.
- Augmont Enterprises Ltd. (Score: 76/100):** Solid fundamentals and steady retail/HNI interest pointing to a healthy ~39.3% listing pop. Base target stands at ₹1,098.0.
- Skyways Air Services & ABH Healthcare (Scores: 56 & 50):** Moderate gains with higher valuation sensitivity. Bear case targets indicate near-par listing risks if overall market sentiment turns adverse.
